I think a pet visit would be wonderful! I'll send you the form that we use for visiting pets and you can check the Greenwood activity schedule through ElderPort for the book club schedule. See you soon!

Message: I would love to go to a book club meeting with my mom.

I would love to go to a book club meeting with my mom. That's a great idea. I was also thinking, Mom is very attached to her cat, Jenny. Do you think it would be possible to do a pet visit at the same time? I think it would help put Mom at ease in a group.

9/20/2001 General Well Being: Marge Delima

Mrs. Delima is eating well, sleeping well, and reading a lot, but she needs some help meeting and interacting with other residents. We have a very active book club here at Greenwood. Maybe Mrs. Delima would like to attend a book club meeting with a family member. This might make introductions a little easier.
